

Message from SLSW Chair of Trustees

The SLSW Board of Trustees had a really good Zoom board meeting yesterday. It was very different not seeing people face to face and disappointing that we were not able to have our planned open meeting with carers and the people we support, but we were able to do everything we needed to do.

During the lockdown in recent weeks, it has been great to see the pictures on Facebook of the activities that Shared Live families have been doing [#positiveslsw](#). We would love to see more!

On behalf of the Board I would like to say a really big thank you to everyone at SLSW; our carers and all the people they support, our staff and the panel members and trustees who give their time on a voluntary basis.

Your energy, commitment, caring and kindness in this strange and different time is just amazing and greatly appreciated.

Everyone involved in SLSW help make the organisation what it is today and help fly the flag for outstanding care even in such difficult times.

Warm wishes to you all,
